EXAMINATION ENTRIES

POLICY

All students who have completed a course of study will be entered for appropriate external assessment.

The school may withdraw students from examinations if they are judged not to have completed the course of study, for example by failing to attend lessons or complete coursework, or if their behaviour jeopardises the examinations of other candidates.

Decisions on withdrawals will be made by the appropriate member of SLT after consultation with the student, their parents/carers and Faculty. This applies to all year groups, including the sixth form.

The school makes examination entries, not students or parents. Teaching staff will take responsibility for all entries, including re-sits and changes of tier made at the request of parents. All results will be included in departmental statistics. Students must not be withdrawn from examinations simply to improve such analysis for a particular department or Faculty.

The school will pay for examination entries for internal candidates, where the student is studying the subject as part of their QE curriculum. Students on roll will not be entered as private candidates.

The school will make examination entries before the deadlines set by the awarding bodies. Late entries will only be made in the most exceptional circumstances and the cost (entry fee and penalty fee) will be borne by the Faculties concerned or the candidate if it is at their request.

The school accepts recent ex-students as external candidates. The final decision to accept an external applicant sits with Head of Centre. Charges will apply.

PROCEDURES

Estimated Entries

At the beginning of the autumn term the examinations manager will circulate a checklist to Faculties asking for confirmation of the exam specifications in use during the year.

Faculty Heads should use this to indicate the approximate number of students to be entered for each subject in the coming year, as well as any changes in specification and/or awarding body.

If a specification change or a new examination subject is introduced during the school year, the examinations manager should be informed immediately.

It is vital that the examinations manager is kept informed about specification changes. If this is not done, preliminary material may not be received from the awarding bodies and ultimately entries may not be made.

Final Examination Entries

Approximately four weeks before the awarding body entry deadline, the examinations manager will make entry lists available to Faculties as SIMS mark sheets. These should be completed by the internal deadline supplied by the examinations manager.

After the internal deadline the entry mark sheets will be made read-only. They should be checked by the relevant staff and the examinations manager should be informed before the awarding body entry deadline of any changes needed.

Coursework

Entries must be made for GCE and modular GCSE coursework units, even though there is no examination involved.

Certification Entries

The school does not make AS certification entries at the end of Year 12 for students who are continuing their studies in Year 13.

Certification entries will be made at the end of Year 13 for all students who are eligible for qualifications.

Re-sit Entries

In principle, no re-sit entries will be made for GCSE subjects. However all year 12 students who did not achieve a 4 or above in Maths and English will be entered to re-sit and will be expected to attend classes.

Re-sit entries may be made for GCE subjects at the discretion of the Faculty concerned. They should be submitted to the exams office at the same time as first time entries. Requests for re-sit entries from students are accepted but charges will apply.

Learning Agreements

When a Faculty makes a re-sit entry it should negotiate a Learning Agreement with the student concerned to ensure that he/she is in receipt of sufficient support and is

prepared to undertake the study necessary to improve his/her mark in the examination.

Late Entries

Faculties making entries after the awarding body deadline, for which penalty fees are payable, must obtain the approval of the SLT line manager for exams. Fees and penalty fees must be paid by the Faculties concerned.

Late requests for re-sits will not be accepted.

“Pirate Entries”

Examiners sometimes receive scripts from candidates who have not been entered by a centre, this scenario has been coined as “pirate entries”. Some exam boards will make the effort to contact the centre, but failure to provide an amendment file or notify the exam board will result in the candidate not receiving a result.

Such entries and amendments will not be made without the approval of the SLT line manager for exams. The penalty fees are substantial and must be paid by the Faculties concerned.

Late Changes

At GCSE the awarding bodies will accept tier changes in linear specifications for a limited time after the entry deadline without extra charge. Very late amendments, however, attract a penalty fee. If this is the case, the changes must be approved by the SLT line manager for exams and the penalty fees must be paid by the Faculties concerned.

Dis-applied Students and withdrawal from exam entries

Agreement for dis-application and exam withdrawals should be approved by Sally B Dean (Assistant Headteacher), after discussion and agreement with the student, staff and parents.

“Private Entries”

It is not possible for a student who is still on roll and studying the course to be entered for exams as a private candidate. Staff should not suggest to students that they may be entered for an examination if they pay for the entry themselves.

Statements of Entry

The examinations manager will issue statements of entry to students as soon as they are received from the awarding bodies. These will show the dates of examinations

but not the specific times and seats, as these may change during the rooming process.

RESPONSIBILITIES

Teaching staff are responsible for supplying and checking all examination entries (including re-sit entries and certification entries).

The examinations manager is responsible for collecting examination entries and other submissions from faculties and communicating them to the awarding bodies accurately and in line with the appropriate deadlines.

The examinations manager is responsible for keeping faculties and students informed about deadlines and about the entries which have been made on their behalf.

Students are responsible for checking their own entries and personal details and alerting the examinations manager to any errors or changes.

PROCEDURES ON THE DAY OF EXAMINATION

In order to ensure a consistent approach, school colleagues are asked to follow the procedures laid out below.

The main part of this section refers to external examinations, but internal exams should normally follow similar guidelines. *Paragraphs in italics cover areas where procedures for internal examinations may differ.*

GENERAL

Exams/Lessons

- When students on study leave are not in exams they should either go home or revise in the LRC/designated classrooms. Other students should go to their normal lessons. No students should be wandering around the site.
- Students are expected to remain silent throughout the time they spend in the exam room, whether or not an exam is actually in progress. This includes entry and exit from the exam room

Exam Signs

These will be put up inside and outside exam rooms by exams office staff and in accordance with the JCQ regulations

Student ID Cards

Students must bring the ID badges provided by the school and placed on the front corner of the desk, to assist invigilators in checking attendance.

Publication of Seating Arrangements

- Every student will be given a personal timetable containing room and seat details.
- Seating plans will be posted daily on the Exams notice board (A Building, Ground Floor).
- A seating plan will be available in each exam room (with invigilator).
- A timetable for the whole season will be issued to all staff.

Invigilation

A team of invigilators has been recruited to supervise all examination rooms. Teaching staff may occasionally be asked to supervise students for some mock examinations when the examination takes place at a time when they would have been timetabled to teach these students.

Invigilators will supervise students after they enter examination rooms, directing them to their seats, answering exam process related questions and issuing instructions about bags and equipment. They will make any announcements that are required. They will not be responsible for student discipline before and after examinations.

SLT and available teaching staff will manage student behaviour outside of the exam rooms/halls. A timetable of SLT support will be in place and provided to the exams manager.

Invigilators must make reception aware of any student disrupting the exam or in need of support. Reception will immediately request SOR.

SETTING UP EXAMS

Invigilators will be given advance timetables allocating them to particular exam rooms. They should gather outside the Exams cupboard half an hour before the start of each session. Lead invigilators with large venues to set up, should be in school an hour before the beginning of the exam.

- Morning exams officially start at 9.00am
- Afternoon exams officially start at 1.30pm, but times may vary. If possible they are scheduled so that they finish at 3pm, 15 minutes before buses leave.
- Students frequently sit two or more papers in succession. In such cases they remain under exam conditions throughout and may not leave the exam room unaccompanied between papers.

Where a venue demands more than one invigilator, one will be designated lead invigilator on the advance timetable. He/she will be responsible for coordinating the work of the team and for making any announcements required.

Papers and other materials will be laid out in the exams storage space. Papers and answer booklets for external exams are stored in the exams cupboard. The examinations manager will sort them and provide appropriate numbers for each exam room.

For internal examinations, Faculties will provide the examinations manager with a master copy of each question paper by the deadline set by exams. The exams office will arrange copying and storage.

Invigilators should take question and answer papers and all other materials directly to the exam rooms assigned to them. **Under no circumstances should exam papers in invigilators' care ever be left unsupervised.**

- In large venues (the Hall and Sports Hall) packs of exam papers should be opened and question papers and answer booklets laid out on desks before students are admitted to the exam room.
- In classrooms answer booklets and other materials may be laid out on desks, but packets of exam papers should not be opened until after students have been seated.
- Students should line up outside exam rooms 15 minutes early and wait until given permission to enter by the invigilator.
- If in the **Hall** students will line up in the foyer in their rows in silence.
- If in the **Sports Hall** students will line up in the quadrangle outside the PE Office.
- Supervision outside exam rooms will be arranged by the appropriate member of SLT.

CONDUCT OF EXAMINATIONS

The Start of the Exam

An invigilator should be at the door of the exam room in order to ensure correct entry. Students are sometimes asked to enter a row at a time. An exam is deemed to be in progress from the time the candidates enter until the scripts have been collected and the students have left the room.

Invigilators Must...

- Ensure that students have not taken bags into examination rooms.
- Ensure that students do not have mobile telephones, iPods or MP4 players, wrist watches, or any other Smart or personal device with them in the examination room.
- Ensure that students are sitting in the correct seats. There will be a seating plan with every set of papers.

The Lead Invigilator Should...

- Write the Centre Number **55247**, the date and the start and finish times of each exam on the board.

- Check that a clock is visible to all candidates, showing the correct time and a second hand or counter
- Instruct students to place their ID cards on the front corners of their desks, so that they can be identified by invigilators.
- Read appropriate parts of the suggested wording for the Invigilator's announcement given in the **JCQ Instructions for the Conduct of Examinations**.
- Draw students' attention to check they are sitting the correct exam subject and tier and the instructions on the front of the question paper. Also issue any other notices issued by the examiners including any erratum.
- Instruct students to write their names on the front of the answer papers.
- Tell students that they can start writing.

Announcements by Teachers

Teachers may not enter exam rooms or make announcements to candidates at the beginning of an examination.

Faculties may provide invigilators with announcements to be read to candidates. Such announcements may not refer to any part of the exam paper other than the instructions on the front page. Invigilators are permitted to remind candidates which set books or options they have studied, but they may not tell candidates which questions to answer.

Teachers may not look at question papers until one hour after the official start time of the examination (i.e. 10.00am for morning exams and 2.30pm for afternoon exams). This is under the supervision of the exams manager if they are available.

Teachers may not remove question papers from exam rooms. Unused copies will normally be distributed to Faculties within 24 hours.

During the Exam

Invigilators should give students their full attention throughout the exam. They should not take work or reading material or refreshments into the exam room.

Invigilators are not permitted to give candidates any advice whatsoever about exam questions, even if they ask for it. If an invigilator or a teacher believes there is an error in a question paper this should be reported to the examinations manager immediately. Under no circumstances should any announcement be made to candidates sitting the exam, unless the awarding body has issued an erratum notice.

- Invigilators should sign in at reception, giving their times of arrival and departure.
- Invigilators should check attendance under the direction of the lead invigilator, marking absentees and late arrivals clearly on the seating plan. Bear in mind that it may be necessary to refer to the seating plan months after the exam – any markings should be clear and unambiguous.
- Where there is an awarding body attendance list this should then be completed accurately from the seating plan. Do not mark students as absent if they do not appear on the seating plan – they may be in another room. Where an exam is spread over several rooms, the attendance list will normally be in the largest room.
- Invigilators should “work the room” keeping an eye on students and ensuring appropriate behaviour.
- Invigilators must complete the monitoring forms provided with the detail requested by the exams manager. This includes feedback on student usage of exam arrangements.

At the End of the Exam

- At the end of the exam candidates should be told to stop writing.
- The lead invigilator should remind students to write their names and exam numbers on the front of the answer paper.

Collection of Scripts

- Answer papers must be collected before students leave the exam room.
- Answer papers should be collected in exam number order, or sorted after collection if this is not practical. In external exams students are usually seated “snake-wise” - that is, from front to back of row A, from back to front of row B, from front to back of row C etc.
- Students using a laptop must save their work to a USB stick provided and remain in exam conditions until this paper is printed and each page signed by the student. This will be under the direction of the invigilator.
- For internal exams students must add their subject teacher’s name

The End of the Exam

- Students should sit in silence and wait for dismissal.

- In large venues students should leave row by row, in silence, when told to by the lead invigilator.
- Where examinations continue after 3.15pm candidates who normally travel by school bus are responsible for making their own travel arrangements.

Return of Scripts

- Scripts should be returned to the exams storage space, A Building, 3rd Floor.

EVENTUALITIES

Late Arrivals

- It is at the discretion of the centre as to whether a late candidate should be admitted to the exam room. Arrivals up to 30 minutes will be permitted entry, except in instances where it would disrupt a video or audio based exam. Arrivals after 30 minutes will need to be sent to the exam's office to decide the feasibility of them completing the exam.
- Where a candidate arrives more than one hour after the publishes starting time for an exam which lasts more than one hour, or after the awarding bodies published finish time for an exam which lasts less than one hour, are considered very late. The centre may still permit the candidate to take the exam but the reasons for the lateness must be recorded and submitted along with the relevant JCQ paperwork.
- *All students arriving late for internal exams should be sent to the Exams Office.*

Missing Equipment

- Students are responsible for providing their own pens, pencils, drawing equipment, calculators etc. The Exams office does hold a small amount of spare equipment that will be made available to students if necessary.
- Under no circumstances should students be allowed to share equipment.

Leaving the Exam Room Temporarily

- Students who leave the exam room to go to the toilet or the medical room must be accompanied by an invigilator and must not speak to anyone, either in person or on the phone, while they are outside the exam room. They will be allowed extra time to make up for their absence if it is an authorised rest break but not if it is a bathroom break.

Leaving the Exam Room Early

- No candidate will be offered to leave the exam room early, they are expected to stay and remain for the entire exam period. Where a candidate causes a disturbance they may be asked to leave.
- No candidate may be readmitted to the exam room once he/she has left.
- During internal examinations all students must remain in the exam room until all scheduled exams have been completed.
- The senior invigilator should make an announcement at the beginning of the exam explaining if and when candidates may leave.

Mobile Phones and other electronic devices

- Students are not permitted to bring mobile phones, MP4 players, wrist watches or other electronic devices into an exam room.
- If a mobile phone rings in a student's pocket, it should be switched off and handed to an invigilator immediately. At the end of the exam the student should be taken to the examinations manager.
- All incidents involving mobile phones will be reported to the awarding body. The candidate concerned can potentially have his/her marks for the paper reduced to zero and on occasion be disqualified from the exam subject entirely.

Cheating/Malpractice

Any student who is observed to be cheating should be warned immediately by the invigilator and any offending material confiscated. At the end of the exam he/she should be taken to the examinations manager. There is a penalty of disqualification for malpractice.

Disturbances

Any student creating a disturbance should be warned not to do so **once**. If he/she persists the invigilator should contact Reception and ask for a removal. The member of senior staff responding may remove him/her from the examination.

Emergency Evacuation Procedure

The invigilator **must** take the following action in an emergency such as a fire alarm or a bomb alert/lockdown.

- Stop the candidates from writing.
- Collect the attendance register or seating plan (**in order to ensure all candidates are present**) and evacuate the examination room in line with the instructions given by the appropriate authority.
- Advise candidates to leave all question papers and scripts in the examination room
- Candidates should leave the room in silence.
- Make sure that the candidates are supervised as closely as possible while they are out of the examination room to make sure there is no discussion about the examination.
- Students should go to the assembly area in front of Farthing Hall, and should be kept separate from other students and supervised to ensure that there is no collusion.
- Make a note of the time of the interruption and how long it lasted.
- Allow the candidates the full working time set for the examination.
- If there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination.
- When the all clear is given students should return to the exam room and complete the paper, being allowed the full working time. A report will be made to the awarding body

Calling for Assistance

Staff invigilating alone should take a mobile phone with them (switched off) and call Reception on **01202 885233** if they need assistance. Where possible, the exams manager and a member of the invigilation will complete checks on all rooms during each exam.

Recording Incidents

The lead invigilator should record all incidents in the space on the Incident Log and Rest Breaks Log. In cases where disciplinary action is to be taken a written statement may be required after the examination.

RESPONSIBILITIES

As Head of Centre the Headteacher has ultimate responsibility for all assessments conducted at Queen Elizabeth's School.

The examinations manager is responsible for the day to day management of examinations, including

- timetabling
- rooming and seating

Students are responsible for providing their own pens, pencils, drawing equipment, calculators etc.

If examinations continue after the end of school, students are responsible for making their own travel arrangements.

COURSEWORK

On completion of a piece of coursework all students must sign an appropriate statement of authentication. Teaching staff should take the steps necessary to confirm that no plagiarism has taken place, from the Internet or from other sources.

RESPONSIBILITIES

Teaching staff are responsible for managing the production, marking and internal moderation of coursework.

The examinations manager is responsible for collecting coursework marks and submitting them to the awarding bodies, for forwarding requests for samples to the appropriate Faculties and for packaging and dispatching coursework to moderators.

All documentation of coursework is the responsibility of the teachers concerned. The examinations manager will not check coursework or documentation before dispatch.

Students will be invited to collect examination results when these are released by the awarding bodies. Results will be posted to students who provide stamped addressed envelopes and emailed to those providing consent and an email address. Results for other students will be held in Reception for collection. If someone is collecting on behalf of a student, the student must have given written consent prior to or on the day of collection.

Certificates for the main summer exam season will be available for collection at the beginning of January. Students that remain on role after year 11 will be issued their certificates in school.

The school only posts certificates in special circumstances agreed by SLT.

RESPONSIBILITIES

The examinations manager is responsible for receiving, checking, storing and recording distribution of certificates.

The School will commit to keeping certificates for at least 2 years and then they may be destroyed. Replacements can then be ordered from the awarding bodies.

Students will be issued with information about Post-Result Services along with their examination results. Services include:

- obtaining photocopies of scripts (GCE only)
- obtaining original scripts

- review of marking services

Students wishing to have a script re-marked may obtain a photocopy of it first and discuss whether a re-mark is advisable with the appropriate teacher.

All scripts and photocopies of scripts are the property of candidates and will be forwarded directly to them on receipt by the school. Faculties wishing to retain scripts for teaching purposes must make their own arrangements with individual students.

The cost of script returns and re-marks are to be paid for by the student concerned unless it is a school/faculty request.

RESPONSIBILITIES

It is the responsibility of the Faculties to request post-result services from the examinations manager.

It is the responsibility of the examinations manager to

- inform Faculties and students about deadlines for post-result services
- submit requests for post-result services to the awarding bodies in accordance with any deadlines they may set

Because of the short timescale the examinations manager will accept requests for photocopies of scripts directly from students.

MALPRACTICE

DEFINITIONS

"**Malpractice**" means any act, default or practice which is a breach of the Regulations or which:

- compromises, attempts to compromise or may compromise the process of assessment, the integrity of any qualification or the validity of an examination result or certificate; and/or
- damages the authority, reputation or credibility of any awarding body or centre or any manager, employee or agent of any awarding body or centre.

A failure by a centre to investigate allegations of suspected malpractice in accordance with the requirements in this document also constitutes malpractice.

JCQ: <https://www.jcq.org.uk/exams-office/malpractice>

POLICY

The school will ensure that students are informed about regulations relating to examinations and coursework.

The school will investigate all alleged infringements of regulations, by staff or by students.

Any student or member of staff accused of malpractice will be

- informed of the allegation made against him or her

- told the possible consequences should malpractice be proven
- given the opportunity to prepare a response
- given the opportunity to seek independent help
- informed of appeals procedures (if any)

All proven allegations of malpractice will be reported to the appropriate awarding body.

PROCEDURES

Where malpractice appears to have taken place it should be reported to the examinations manager in the first instance.

An investigation will be carried out by the SLT member responsible for examinations on behalf of the Head of Centre and the Head of Centre will submit a report to the awarding body.

Where allegations of malpractice are made against a student, he or she should be

- given an opportunity to write a personal statement

- given an opportunity to seek advice from his/her parents.

Whether or not a student's parents are involved in the investigation, a copy of the report submitted to the awarding body will be made available to them on request.

Where a student's parents are connected with the school (for example, as members of staff or governors) they will not be permitted to take part in the investigation.

Where the alleged malpractice involves coursework and the student has not yet signed a statement of authentication the issue should be dealt with internally.

Where coursework submitted for internal assessment is rejected on the grounds of malpractice, candidates have the right to appeal against this decision.

Once a statement of authentication has been signed the case must be referred to the appropriate awarding body.

All decisions about penalties to be applied for malpractice lie with the awarding body concerned. When it receives a response to a malpractice report the school should inform the parties involved as soon as possible.

Students do not have a right of appeal against decisions. The school may appeal on behalf of a student. Students and parents should not attempt to contact awarding bodies directly.

RESPONSIBILITIES

It is the responsibility of teaching staff to ensure that students understand

- exam room regulations

EXAM CONTINGENCY PLANNING

Purpose:

This plan examines potential risks and issues that could cause disruption to the exams process at Queen Elizabeth's School. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.

Alongside internal processes, this plan is informed by the **Ofqual** Exam system contingency plan: England, Wales and Northern Ireland which provides guidance in the publication What schools and colleges and other centres should do if exams or other assessments are seriously disrupted and the **JCQ** Joint Contingency Plan in the event of widespread disruption to the Examination System in England, Wales and Northern Ireland.

- This plan also confirms Queen Elizabeth's School is compliant with the JCQ regulation (section 5.3, General Regulations for Approved Centres 2020-21) that the centre has in place a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or staff absence. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations, or on results day, owing to an unforeseen emergency.

Specific consideration for COVID-19 response and closure:

Queen Elizabeth's School has an established risk assessment and response procedure for dealing with confirmed and suspected cases of COVID-19 within our centre or affecting our students. This is informed by the latest Department for Education, Department for Health and Social Care, and local government advice. We will use the relevant sections outlined below should an outbreak or a whole (or partial) school closure occur. Where cases are identified in our centre, we will work with exam regulators, examining bodies, local government, PHE and the relevant authorities to ensure the smooth running of exams.

Possible causes of disruption to the exam process:

1. Exam officer extended absence at key points in the exam process

Criteria for implementation of the plan

Key tasks required in the management and administration of the exam cycle not undertaken including:

Planning

- annual data collection exercise not undertaken to collate information on qualifications and awarding body specifications being delivered
- annual exams plan not produced identifying essential key tasks, key dates and deadlines
- sufficient invigilators not recruited

Entries

- awarding bodies not being informed of early/estimated entries which prompts release of early information required by teaching staff
- candidates not being entered with awarding bodies for external exams/assessment
- awarding body entry deadlines missed or late or other penalty fees being incurred

Pre-exams

- invigilators not trained or updated on changes to instructions for conducting exams
- exam timetabling, rooming allocation; and invigilation schedules not prepared
- candidates not briefed on exam timetables and awarding body information for candidates
- confidential exam/assessment materials and candidates' work not stored under required secure conditions
- internal assessment marks and samples of candidates' work not submitted to awarding bodies/external moderators

Exam time

- exams/assessments not taken under the conditions prescribed by awarding bodies
- required reports/requests not submitted to awarding bodies during exam/assessment periods, for example very late arrival, suspected malpractice, special consideration
- candidates' scripts not dispatched as required for marking to awarding bodies

Results and post-results

- access to examination results affecting the distribution of results to candidates

Centre actions to mitigate the impact of the disruption

Queen Elizabeth's School currently has two members of staff with some level of responsibility for Exams management. If either were to be on extended absence during key points in the cycle then the other would be able to complete tasks.

Where additional staffing or resources were required the SLT line manager for Exams would need to liaise with the relevant persons in Finance and SLT to arrange for additional staffing or resources.

If both members of staff were absent then there are other staff within the school who have prior experience working in exams, and support would need to be sought from the exam boards, JCQ and the Exams Office.

2. SENCo extended absence at key points in the exam cycle

Criteria for implementation of the plan

Key tasks required in the management and administration of the access arrangements process within the exam cycle not undertaken including:

Planning

- candidates not tested/assessed to identify potential access arrangement requirements
- centre fails to recognise its duties towards disabled candidates as defined under the terms of the Equality Act 2010
- evidence of need and evidence to support normal way of working not collated

Pre-exams

Centre actions to mitigate the impact of the disruption

SLT to address issues and to make adequate arrangements for the tasks which are missed or incomplete.

3. Teaching staff extended absence at key points in the exam cycle

Criteria for implementation of the plan

Key tasks not undertaken including:

- Early/estimated entry information not provided to the exams officer on time; resulting in pre-release information not being received
- Final entry information not provided to the exams officer on time; resulting in candidates not being entered for exams/assessments or being entered late/late or other penalty fees being charged by awarding bodies
- Non-examination assessment tasks not set/issued/taken by candidates as scheduled
- Candidates not being informed of centre assessed marks before marks are submitted to the awarding body and therefore not being able to consider appealing internal assessment decisions and requesting a review of the centre's marking
- Internal assessment marks and candidates' work not provided to meet awarding body submission deadlines

Centre actions to mitigate the impact of the disruption

QE School will provide adequate cover supervisors and teachers, and where longer term absence is known will employ staff to take on responsibilities.

The Exams Manager will liaise with all heads of department on deadlines and pre-release material to ensure that all is received correctly.

Arrangements to be made for transport to alternate site, or provide information to candidates on new arrangements.

6. Failure of IT systems

Criteria for implementation of the plan

- MIS system failure at final entry deadline
- MIS system failure during exams preparation
- MIS system failure at results release time

Centre actions to mitigate the impact of the disruption

QE's MIS is hosted by SCOMIS, they will be our first point of contact for an MIS failure. We will take their advice on how to resolve the issue.

Local system problems will be resolved by the IT manager and the technical services department.

Where possible, and if access is a local issue, Exams Manager(s) to use personal home resources to continue working.

7. Emergency evacuation of the exam room (or centre lock down)

Criteria for implementation of the plan

- Whole centre evacuation (or lock down) during exam time due to serious incident resulting in exam candidates being unable to start, proceed with or complete their exams

Centre actions to mitigate the impact of the disruption

Safety of candidates is the first priority, exams will begin when they can. Candidates will be kept separate from main cohort of students and will return to exam room when appropriate to do so. Exams Manager to follow up with JCQ after the incident.

8. Disruption of teaching time in the weeks before and exam – centre closed for an extended period

Criteria for implementation of the plan

- Centre closed or candidates are unable to attend for an extended period during normal teaching or study supported time, interrupting the provision of normal teaching and learning

- Disruption to the distribution of examination papers to the centre in advance of examinations

Centres actions to mitigate the impact of the disruption

Examinations manager to acquire digital copies of papers from exam boards

11. Disruption to the transportation of completed examination scripts

Criteria for implementation of the plan

- Delay in normal collection arrangements for completed examination scripts/assessment evidence

Centres actions to mitigate the impact of the disruption

As part of the yellow label service the exams manager will contact the awarding body for advice on alternative arrangements.

12. Assessment evidence is not available to be marked

Criteria for implementation of the plan

- Large scale damage to or destruction of completed examination scripts/assessment evidence before it can be marked
- Completed examination scripts/assessment evidence does not reach awarding organisations

Centres actions to mitigate the impact of the disruption

Exams manager to liaise with awarding body on alternative evidence which can be used.

Where alternatives cannot be used, centre staff will need to arrange for the assessment to take place in the next available season.

13. Centre unable to distribute results as normal or facilitate post results services

Criteria for implementation of the plan

- Centre is unable to access or manage the distribution of results to candidates, or to facilitate post-results services

Centres actions to mitigate the impact of the disruption

Exams manager to agree alternative site with awarding bodies if main school site is unavailable.

SLT to agree alternative arrangements for providing results from another centre, permission must be sought from awarding bodies.

Post-results can be actioned from home if main school site is unavailable.

INTERNAL APPEALS PROCEDURE

1. Appeals against internal assessment decisions (centre assessed marks)

Certain GCSE, GCE and other qualifications contain components of non-examination assessment (or units of coursework) which are internally assessed (marked) by Queen Elizabeth's School and internally standardised.

The marks awarded (the internal assessment decisions) which contribute to the final grade of the qualification are then submitted by the deadline set by the awarding body for external moderation.

This procedure confirms Queen Elizabeth's School's compliance with JCQ's General Regulations for Approved Centres 2020-2021 (section 5.7) that the centre will:

- have in place and be available for inspection purposes, a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates
- before submitting marks to the awarding body inform candidates of their centre assessed marks and allow a candidate to request a review of the centre's marking

Queen Elizabeth's School is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Queen Elizabeth's School ensures that all centre staff follow a robust *Non-examination Assessment Policy* (for the management of GCE and GCSE non-examination assessments). This policy details all procedures relating to non-examination assessments for GCE, GCSE, Project qualifications, and vocational programmes, including the marking and quality assurance processes which relevant teaching staff are required to follow.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Queen Elizabeth's School is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of his/her work, or that the assessor has not properly applied the mark scheme to his/her marking, then he/she may make use of the appeals procedure below to consider whether to request a review of the centre's marking.

The school will

1. ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body
2. inform candidates that they will need to explain on what grounds they wish to request a review of an internally assessed mark as a review will only focus on the quality of their work in meeting the published assessment criteria
3. inform candidates that they may request copies of materials (for example, as a minimum, a copy of their marked assessment material (work) and the mark scheme or assessment criteria plus additional materials which may vary from subject to subject) to assist them in considering whether to request a review of the centre's marking of the assessment
4. having received a request for copies of materials, promptly make them available to the candidate (or for some marked assessment materials, such as art work and recordings, inform the candidate that these will be shared under supervised conditions) within 2 working days.
5. inform candidates they will not be allowed access to original assessment material unless supervised
6. provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision, informing candidates that if their decision is to request a review they will need to explain what they believe the issue to be
7. provide a clear deadline for candidates to submit a request for a review of the centre's marking. Requests will not be accepted after this deadline. Requests must be made in writing within 5 working days of receiving copies of the requested materials by emailing your subject teacher and Exams@queenelizabeths.com
8. allow 5 working days for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline
9. ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review
10. instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre
11. inform the candidate in writing of the outcome of the review of the centre's marking

The outcome of the review of the centre's marking will be made known to the head of centre who will have the final decision if there is any disagreement on the mark to be submitted to the awarding body. A written record of the review will be kept and made available to the awarding body upon request.

The awarding body will be informed if the centre does not accept the outcome of a review.

The moderation process carried out by the awarding bodies may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that centre marking is in line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.

The procedure is informed by the JCQ publications [Instructions for conducting non-examination assessments](#) (6.1), [Reviews of marking \(centre assessed marks\) suggested template for centres](#), and [Notice to Centres -Informing candidates of their centre assessed marks](#)

2. Appeals against the centre's decision not to support a clerical re-check, a review of marking, a review of moderation or an appeal

This procedure confirms the school's compliance with JCQ's General Regulations for Approved Centres 2020-2021 (section 5.13) that the centre will:

- have available for inspection purposes and draw to the attention of candidates and their parents/carers, a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support a clerical re-check, a review of marking, a review of moderation or an appeal

Following the issue of results, awarding bodies make post-results services available.

Candidates are also informed of the arrangements for post-results services and the availability of senior members of centre staff immediately after the publication of results, before they sit any exams through the exam handbook.

If the centre or a candidate (or his/her parent/carer) has a concern and believes a result may not be accurate, post-results services may be considered.

The JCQ post-results services currently available are detailed below.

Reviews of Results (RoRs):

- Service 1 (Clerical re-check)

This is the only service that can be requested for objective tests (multiple choice tests)

- Service 2 (Review of marking)
- Priority Service 2 (Review of marking)

This service is only available for externally assessed components of GCE A-level specifications (an individual awarding body may also offer this priority service for other qualifications)

- Service 3 (Review of moderation)

This service is not available to an individual candidate

Access to Scripts (ATS):

- Copies of scripts to support reviews of marking
- Copies of scripts to support teaching and learning

Where a concern is expressed that a particular result may not be accurate, the centre will apply on behalf of the candidate for the services requested. All associated fees will be covered by the candidate.

Written candidate consent (informed consent via candidate email is acceptable) is required in all cases before a request for a RoR service 1 or 2 (including priority service 2) is submitted to the awarding body. Consent is required to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded. Candidate consent must only be collected after the publication of results.

For any moderated components that contributed to the final result, the centre will:

- Confirm that a review of moderation cannot be undertaken on the work of an individual candidate or the work of candidates not in the original sample submitted for moderation
- Consult the moderator's report/feedback to identify any issues raised
- Determine if the centre's internally assessed marks have been accepted without change by the awarding body – if this is the case, a RoR service 3 (Review of moderation) will not be available
- Determine if there are any grounds to submit a request for a review of moderation for the work of all candidates in the original sample]

Where a candidate disagrees with a centre decision not to support a review of moderation, the centre will:

- Inform the candidate that a review of moderation (RoR service 3) cannot be requested for the work of an individual candidate or the work of a candidate not in the original sample]

If the candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision not to support a review of results, an internal appeal can be submitted to the centre by emailing exams@queenelizabeths.com outlining the grounds for appeal at least by the internal deadline for submitting a request for a review of results.

The appellant will be informed of the outcome of his/her appeal prior to the deadline for RoR services.

Following the RoR outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for

appeal. The JCQ publications Post-Results Services and JCQ Appeals Booklet (A guide to the awarding bodies' appeals processes) will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the RoR outcome, but the candidate (or his/her parent/carer) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the head of centre. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the JCQ Appeals Booklet. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

A letter outlining the grounds for appeal against the review outcome should be submitted to the head of centre within 10 working days of the notification of the outcome of the RoR. Subject to the head of centre's decision, this will allow the centre to process the preliminary appeal and submit to the awarding body within the required 30 calendar days of receiving the outcome of the review of results process. Awarding body fees which may be charged for the preliminary appeal must be paid to the centre by the appellant before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer). If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.

ACCESS ARRANGEMENTS AND SPECIAL CONSIDERATION

DEFINITIONS

Access Arrangements “are approved before an examination or assessment and are intended to allow attainment to be demonstrated [by candidates who have particular requirements]. An example of an Access Arrangement would be the provision of a modified paper for a candidate with a visual impairment.” *JCQ Access Arrangements FAQ*

Special Consideration “may be given following an examination or assessment to ensure that a candidate with a temporary illness, injury or indisposition at the time it is conducted is given some recognition of the difficulty they have faced. Any Special Consideration granted cannot take away the difficulty the candidate has faced and can only be a relatively minor adjustment to ensure that the integrity of the standard is not compromised.” *JCQ Access Arrangements FAQ*
