Wednesday 18th December 2024

Dear Parents and Carers,

Progress Checks

Your child will receive a printout of their latest progress check on Thursday 19th December in tutor time; an electronic copy will be sent via the SIMs Parent App to you, please login to view this. We encourage you to go through this with your child to support their engagement in discussion of their learning and progress.

To support you with this, our definitions and guidance can be found on the reverse of the progress check as well as on the video which is linked [here](#). In essence, we would expect students who are engaging well in their learning to be at 'M' and 'E' for engagement.

Please discuss these with your child to further support conversations about their studies and academic progress. If you have any queries regarding the report please direct these to your child's tutor or subject teacher. We wish you a good half term break.

Your sincerely,

Tim Baguley

Lead Practitioner and Head of Maths
