

TMB/kw

23rd January 2025

Dear Parents and Carers,

Year 11 Mocks/Revision Resources/Extra Curricular

I am writing to inform you about the upcoming Year 11 mock exams, which will take place from Monday 10th to Friday 14th February, and Tuesday 25th to Friday 28th February. These mock exams are a critical part of your child's preparation for their final GCSE exams, giving them practice of exam procedures, alongside providing valuable insights into their progress and identifying areas for improvement.

Attached is a list of Revision Lists or Personalised Learning Checklists (PLCs) which indicate topic areas that will be covered in these mock exams. Students should be self-assessing the topic areas and focus their revision on the skills and topics areas in which they feel they are weakest. Alongside these checklists are sources of information to help them find questions and materials to support these areas.

After-School Revision Sessions

We strongly encourage all year 11 students to take advantage of our after-school revision sessions, which will run from Monday to Wednesday, 3:20pm- 4:20pm. The session will focus on areas on the PLC and develop general revision skills in the Core Subject Areas.

- Monday: Science (E Block 1&2)
- Tuesday: Maths TMB (E302), NFM (E303), MXT (E308), SJB (E309)
- Wednesday: English-NJB (C104), HXR (C105), JMF (C107)

Breakfast Boost- Starting Monday 10th January

We are here to support both you and your child through this important period. If you have any questions or concerns, please do not hesitate to get in touch. Thank you for your ongoing support.

Yours sincerely

Mr T Baguley

Associate Assistant Headteacher
