Unifrog - The Complete Destinations Platform

Dear Student/Parent/Carer

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next steps after QE School,

We are continuing to use Unifrog; an award-winning, online destinations platform. All students in Years 9, 10, 11, 12 and 13 have access to this website.

Unifrog is the universal destinations platform and is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups.

Using Unifrog will allow students to explore all the career and next step options available to them and find information on everything from managing their workload to writing a winning CV. Students have access to a wide variety of video and written content, and interactive quizzes and tests, including:

Section of the platform	Examples of what students can do	Suitable age range
Quizzes	Finding their interests, personality type, preferred work environment, and skillset.	Years 7-13
Exploring pathways	Explore careers, career sectors, subjects, sign up to free webinars, explore MOOCs and courses, and find wider reading materials.	Years 7-13
Recording what you've done	Record their in-class and extracurricular activities, record examples of their skills, access details recorded from their careers interview and list events the school has added to their accounts.	Years 7-13
Searching for opportunities	Find scholarships, activities, and bursaries to support their HE journey. Find and compare degrees in the UK and overseas, live apprenticeships, and FE courses.	Years 10-13
Application materials / Making applications	Write their CV, cover letter, Personal Statement, and more. Track their applications and record their Post 16 / 18 intentions.	Years 11-13

Unifrog - The Complete Destinations Platform

All QE Students have been allocated their own account which can be accessed using their school email addresses as the username and typing the passwords they set last academic year. Anyone who has forgotten their password will find a reset password option available to them once they access the website.

The screenshot shows the Unifrog sign-in interface. At the top left is the 'unifrog' logo in green. To the right are links for 'ABOUT' and 'BLOG'. The main heading is 'Sign in'. Below it are two input fields: the first contains the email address '21Bloggsjoe@queenelizabeths.com' and the second contains a masked password '.....'. A green 'Sign in' button is positioned below the password field.

All new students attending QE School will find they will have automatically been sent welcome emails at the start of term with instructions on how to get started.

The screenshot shows a welcome email from Unifrog. It features the 'unifrog' logo at the top left. The heading is 'Welcome to Unifrog'. The main text reads: 'Hey Zach! You have been added to Unifrog by your school. Click the button below to set your password and begin.' Below this text is a green button labeled 'Begin'. Underneath the button, the text asks 'What now?' and highlights 'Set your password'. At the bottom, a security notice states: 'For security purposes, this link will expire 30 days from the time it was sent. If you don't want to change your password, you can safely ignore this email and continue to use Unifrog with your existing password.'
