Parent, Carer & Supporter Webinar Series 2024-25

Webinar 1: Why and how to apply

Tuesday 26 November (6 - 6.45pm)

This session will walk you through the practical steps of applying to university, offering guidance on how you can support your young person throughout the application process. We'll also explore the support available to students once they arrive, ensuring a smooth transition to university life.

Webinar 2: Student finance

Thursday 30 January (6 - 6.45pm)

This session will provide a comprehensive overview of the UK student finance system. We'll explain how student loans work, explore additional funding options like bursaries, scholarships, grants, and Disabled Students' Allowance (DSA), and share practical budgeting tips to help students manage their finances effectively.

Webinar 3: Confirmation & Clearing

Tuesday 17 June (6 - 6.45pm)

This session is designed to guide you through what comes after Results Day. Whether your young person has secured their place or is considering alternative options through Clearing, we'll discuss the key steps to take. We'll cover everything from understanding the process to preparing for the exciting journey of student life, including what essentials to pack.
