Year 11 News– Edition 5

07.03.25

Dear Parents and Carers,

We are incredibly impressed with the dedication and resilience shown by our Year 11 students throughout their recent mock exams and their improved attendance as a year group.

It was clear that students were more confident this time around and the hard work, commitment, and positive attitudes displayed have been truly commendable. We hope that their upcoming results reflect the efforts each and every student has put into their studies.

Whilst these mock exams were the final opportunity for students to practice their skills we are only a short 8 weeks away from the beginning of the summer exam season. I have urged Year 11 to continue with their preparations and to keep up with their revision.

As a reminder after school revision sessions will continue and as we move closer to the final GCSE exams, we are confident that with continued focus and support, our students will achieve fantastic outcomes this summer.

Prom Announcement – Save the Date!

We are also thrilled to officially announce that this year's Year 11 Prom will be held at the stunning Bournemouth Marriott Hotel. This beautiful venue will provide the perfect backdrop for our students to celebrate their achievements, friendships, and the end of their secondary school journey.

Year 11 Non Uniform Day- Thursday 13th March

We are pleased to inform you that due to the fantastic efforts and commitment to improving Year 11 attendance, students have been rewarded with a non uniform day! Over the past two weeks, their collective attendance has increased and this improvement has not gone unnoticed. The non uniform day is a great opportunity to celebrate their efforts and encourage continued progress in the coming weeks. Excellent attendance plays a crucial role in their success and academic achievements.

Please remember that the usual expectations for dress code will apply. Clothing should be appropriate and respectful of the school environment. We are confident that they will make the most of this opportunity! We would like to thank you for your support in helping your child reach this milestone, and we encourage you to continue to support the importance of regular school attendance.
