Dear Student/Parent/Carer

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next steps after QE School,

We are continuing to use Unifrog; an award-winning, online destinations platform. All students in Years 9, 10, 11, 12 and 13 have access to this website.

**All QE Students have been allocated their own account** which can be accessed using their school email addresses as the username and typing the passwords they set last academic year. Anyone who has forgotten their password will find a reset password option available to them once they access the website.

The screenshot shows the Unifrog website's sign-in interface. At the top left is the 'unifrog' logo, and at the top right are links for 'ABOUT' and 'BLOG'. The main heading is 'Sign in'. Below it are two input fields: the first contains the email address '21Bloggsjoe@queenelizabeths.com', and the second contains a masked password '.....'. A green 'Sign in' button is positioned below the password field.

**All new students attending QE School** will find they will have automatically been sent welcome emails at the start of term with instructions on how to get started.

The screenshot shows a welcome email from Unifrog. It features the 'unifrog' logo at the top left. The main heading is 'Welcome to Unifrog'. Below this is a message: 'Hey Zach! You have been added to Unifrog by your school. Click the button below to set your password and begin.' At the bottom of the email, there is a section titled 'What now?' with the text 'Set your password' and a green 'Begin' button.

**If the welcome emails can't be found or passwords have been forgotten, there is the option to reset your password on the login page.**
