Dear Parents and Carers,

Music Lessons at Queen Elizabeth's School

At QE School of Performing Arts, we are proud to offer a vibrant and diverse music department that fosters creativity, discipline, and a lifelong love of music. As part of our commitment to enriching the educational experience of our students, we provide access to peripatetic (one to one) music lessons delivered by experienced and specialist tutors. We currently offer individual tuition in a variety of instruments, including:

- Piano
- Guitar
- Bass
- Drums
- Woodwind (e.g. Flute, Clarinet, Saxophone)
- Strings (e.g. Violin)
- Brass (e.g. Trumpet, Trombone)
- Vocals

These lessons provide invaluable benefits, not only in musical skill but also in developing confidence, discipline, and focus; qualities that complement academic achievement.

If you would like your child to take advantage of these lessons, please complete the following [google form](#) below by **Friday 29th August 2025** to express your interest. Upon submission of the form, your contact details will be shared with the relevant music tutors who will liaise directly with you to arrange lesson schedules, costs, and any specific requirements.

We highly encourage you to consider this opportunity. Learning an instrument is not only an enjoyable and rewarding experience but also enhances cognitive development, social skills, and emotional wellbeing. If you have any further questions, please do not hesitate to contact our new Head of Music, Mr Phillip Hall via: phall@queenelizabeths.com

Thank you for your support in promoting music education within our school community.

Yours sincerely,

Mrs Alex Payne- Head of Performing Arts
