

## Uplearn and Seneca

<p>What is Up Learn?</p> 	<p>a UK-based online educational platform that provides resources and support for A Level students to achieve high grades, including A* and A. The platform features interactive video lessons, AI-powered adaptive learning, 24/7 tutor support, progress tracking and exam preparation materials.</p>
<p>Which subjects does uplearn cater for?</p>	<p>Biology, Chemistry, Economics, Maths, Physics, and Psychology</p>
<p>Why is Up Llearn useful?</p>	<p>By using the platform, students have been proven to go from a B to an A* if the uplearn course for their subject is completed.</p>
<p>How do I log in?</p>	<p><a href="https://web.uplearn.co.uk/login">https://web.uplearn.co.uk/login</a></p>
<p>How long do uplearn courses take to complete?</p>	<p>Up Learn courses can take 16-35 weeks to complete from scratch based on 1 hour per day. This varies by student and subject – many students will not need to start from scratch to achieve A*-A!</p>
<p>If i'm already at an A*- A Should I still use Up Learn?</p>	<p>Yes – Up Learn can help you solidify your grades, and help you score higher A*s/As.</p>
<p>Can I study more than one course at a time?</p>	<p>Yes! You can study as many courses as you like. Using Up Learn will give you a big advantage when it comes to the exam, so using it for all your available subjects will help you perform better.</p>

<p>What is SENECA?</p> 	<p>Seneca Learning is a free online homework and revision platform for students aged 8-18 that uses neuroscientific techniques to help them study for exams. It offers interactive courses with summaries, videos, and practice questions, tailoring the content to each student's strengths and weaknesses to improve memory and understanding.</p>
<p>Which subjects does uplearn cater for?</p>	<p>Biology, Business, Chemistry, Computer Science, Economics, English, Geography, History, Maths, Physics, Politics, and Psychology.</p>
<p>Why is SENECA useful?</p>	<p>Personalised learning techniques, effective memory techniques, engaging content and improved exam performance.</p>
<p>How do I log in?</p>	<p><a href="https://senecalearning.com/en-GB/">https://senecalearning.com/en-GB/</a></p>
<p>How long do SENECA courses take to complete?</p>	<p>SENECA has small topics that you can do as much or as little as you want at a time.</p>
<p>If i'm already at an A*- A Should I still use SENECA?</p>	<p>Yes – SENECA can help you solidify your grades, and help you score higher A*s/As. It can be good to use different revision techniques which SENECA offers in quizzes and other activities.</p>
<p>Can I study more than one course at a time?</p>	<p>Yes! You can study as many courses as you like. Using SENECA will give you a big advantage when it comes to the exam, so using it for all your available subjects will help you perform better.</p>
