START YOUR CAREER AT ROYAL BOURNEMOUTH AND POOLE HOSPITALS

JOIN OUR HEALTHCARE SUPPORT WORKER VOCATIONAL SCHOLARSHIP PROGRAMME

Calling all young people between the ages of 18 and 21 years of age, who have completed school or college, to join our Healthcare Support Worker (HCSW) Vocational Scholarship Programme. This is a pathway leading to possible employment as a Healthcare Support Worker at Royal Bournemouth and Poole Hospitals. The programme will run over five weeks starting September 2022, and will take place at Bournemouth & Poole College.

What are the benefits of undertaking the scholarship?

- **Full training and support provided**
- **A learning programme based around essential skills required for healthcare support**
- **Knowledge enhancing learning in line with the care certificate standards**
- **Practical skills sessions**
- **You'll gain insight into NHS careers and learning opportunities**
- **Employability skills training**
- **The opportunity to spend time in a clinical setting**
- **Guaranteed interview for a HCSW role at the end of the programme**
- **Opportunity to start your NHS career**
- **Support and training to progress into professional roles such as nursing, midwifery and allied health professions**

At the heart of everything we do, Healthcare Support Workers provide high-quality and compassionate care to our patients. They assist with physical activities, personal care, mobility, mealtimes and other supportive tasks.

Working with many different patient groups of all ages, the HCSW role can also lead to a range of career opportunities. With the right support, those who exemplify the skills and core values essential to delivering high-quality, compassionate care could, and do, go on to become Dorset's future nursing, midwifery and allied health professionals.
