Dear Parents and Carers,

Re: **Parent/Carer Careers Survey**

At QE School, we are committed to providing a high-quality careers education that supports every student in making informed choices about their future. As part of our ongoing evaluation and improvement process, we are seeking feedback from parents and carers about our current Careers Programme.

Your views are extremely valuable in helping us understand:

- How well our careers provision supports your child(ren).
- How effective our communication and guidance have been.
- How we can further develop our programme to better meet students' needs.

We would be very grateful if you could take a few minutes to complete our Parent Careers Survey by clicking the link [HERE](#).

The survey should take no more than 5 minutes to complete, and all responses will remain confidential.

Thank you for taking the time to share your views and for your continued support in helping us provide the best possible careers guidance for our students.

Yours sincerely

*Hayley Jones*
