

Dear Parents and Carers,

22 May 2026

RE: 2026-27 Planning: Curriculum and Staffing

I would like to take this opportunity to sincerely thank you for the support, patience, and understanding you have shown throughout our recent school restructure process and the subsequent NASUWT and NEU teaching union industrial action.

Periods of change can bring uncertainty, and we are extremely grateful for the encouragement and continued support for both staff and pupils that you have shown. We are proud of the strong sense of community that continues to define our school. I am working with colleagues to mitigate the impact of our funding constraints and I am now in a position to share information with you about our curriculum plans, priorities and structural changes for 2026-27 and beyond. I can also share a limited amount of information about the industrial action and how we are working to minimise disruption to learning and ensure a robust recovery plan is in place to support our students.

We are planning for next year and remain committed to keeping communication open and ensuring that parents and carers feel informed and involved. To support this, we will be holding an Information Evening on **Wednesday 17 June 2026 at 5:30pm** at Queen Elizabeth's School. This will provide an opportunity to share updates, outline our plans moving forward, and answer any questions you may have.

In addition, we will also be hosting a series of informal coffee mornings over the coming weeks. These sessions will give parents and carers the chance to meet members of the leadership team, discuss any thoughts or concerns, and continue building the strong partnership between home and school.

The coffee mornings will take place on:

- **Tuesday 23 June 2026 at 9:00am**
- **Thursday 25 June 2026 at 9:00am**

Please confirm attendance using this Google Form: <https://forms.gle/dEcyJgrXBmLkpdqGA>

Thank you once again for your continued support and commitment to our school community. We look forward to working together as we move positively into the future.

Yours sincerely,

Tom Neill
Headteacher
