

Dear Parents and Carers,

RE: A-Level Summer Results Guide 2026

This document includes key information that you need to be aware of ahead of results day, key resources, post results services and forms.

If you are unhappy with your results: please speak to a member of the senior leadership team who will be present on the day about the best options for you. They will look at your marks and the grade boundaries. You might decide to see your exam paper, opt for a review, or re-sit your exam, here is an overview of what's available and when.

Access to Scripts -Priority (A1) and Non-Priority (A2): access to a copy script prior to review of marking or to support teaching and learning. Available as priority for GCE exams with university place/s pending and non-priority to assist teaching and learning, or if you do not have university place/s pending.

Return of Original Script (ATSO): allows you to request the original script after/with a post-result service amendment.

Clerical Check of Marks (Service R1): a check of all clerical procedures which lead to a result being issued. Checks include: all parts of the script have been marked; totalling of marks; recording of marks.

Clerical Check with Copy of Checked Script (Service R1s): as previously described plus a copy of the script.

Priority Review of Marking (Service R2P): PRIORITY SERVICE FOR GCE EXAMS FOR UNIVERSITY PENDING PLACES ONLY. A check that the examiners have marked externally assessed components correctly. Changes to marks will only be made where there is an administrative or marking error but not where the original mark is reasonable. This is in line with Ofqual's review of marking guidance. Marking errors can occur as a result of: an admin error; a failure to apply the mark scheme where a task has a 'right' or 'wrong' answer; an unreasonable exercise of academic judgement. The checks will also include the clerical rechecks detailed in service 1.

IMPORTANT: MARKS CAN GO DOWN AS WELL AS UP - YOU COULD END UP WITH A LOWER MARK. A REVIEW OF MARKING CAN NOT BE WITHDRAWN ONCE SUBMITTED. REVIEWERS WILL NOT REMARK THE SCRIPT. THEY ONLY ACT TO CORRECT ANY ERRORS IDENTIFIED IN THE ORIGINAL MARKING.

Priority Review of Marking with Copy of Post Results Amended Script (Service R2Pa): PRIORITY SERVICE FOR GCE EXAMS FOR UNIVERSITY PLACES PENDING ONLY. As previously described plus a copy of the post results amended script. A full guide to [post-results services](#) is available on the [JCQ website](#).

Review of Marking (Service R1/R2); A check that the examiners have marked externally assessed components correctly. Changes to marks will only be made where there is an administrative or marking error but not where the original mark is reasonable. This is in line with Ofqual's review of marking guidance. Marking errors can occur as a result of: an admin error; a failure to apply the mark scheme where a task has a 'right' or 'wrong' answer; an unreasonable exercise of academic judgement. Clerical re-checks, reviews of marking and appeals

Candidate consent form

Information for candidates: the following information explains what may happen following a clerical re-check, a review of marking and any subsequent appeal.

If your school or college submits a request for a clerical re-check or a review of the original marking, and then a subsequent appeal for one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received
- Your original mark is confirmed as correct, so there is no change to your grade
- Your original mark is raised, so your final grade may be higher than the original grade you received.

To proceed with the clerical re-check or review of marking, you **must** sign the form below. This tells the head of your school or college that you have understood what the outcome might be, and that you give your consent to the clerical re-check or review of marking being submitted.
