

Dear Parents and Carers,

I am writing to you with some additional information from our recent **Statutory Inspection of Anglican and Methodist Schools (SIAMS)**.

We encourage you to read the full inspection report, which is now available on our school website at: [QE SIAMS Report 2026](#)

We have previously provided a summary of key information from the report, and I am pleased to share with you our agreed strengths and areas for development from SIAMS:

Notable Strengths

- *The vision for hope is understood by students and staff alike. This drives decision-making and sustains the school community in times of challenge.*
- *Respectful relationships are evident throughout the school. As a result, classrooms are calm and purposeful places where young people flourish as they study.*
- *Hope for all to aspire and achieve underpins the way that the curriculum is designed and implemented. Creative pathways means that students can achieve in a range of different ways.*
- *Religious education (RE) is a priority subject in this school. The curriculum is carefully sequenced and over time students develop a secure understanding of a range of faiths and worldviews. As a result, they are prepared for life beyond their locality.*
- *Community is celebrated in the daily acts of collective worship (DACW) which are meticulously planned. Students and staff across this large school develop spiritually as they consider the teachings of the Bible and the way these could apply to their lives.*

Development Points

- *Extend the range and variety opportunities for students to engage with personal reflection. This is to enable deeper spiritual flourishing.*
- *Ensure that students develop a more thorough understanding of justice. This to enable them to advocate for equity as they move into adulthood.*

We are very pleased with the outcome of this report and will work to build on its strengths and work towards the areas for development at the earliest opportunity.

I hope you are all having a restful summer and we look forward to seeing all students again in September.

Yours sincerely,

Thomas Neill
Headteacher
Queen Elizabeth's School
