

Health and Social Care Year 12 information evening

OCR Technical
Health and Social Care

Extended Certificate Level 3
Technical Diploma Level 3

PLC - Personalised Learning Checklists

Students are given PLC's for each topic that they study.

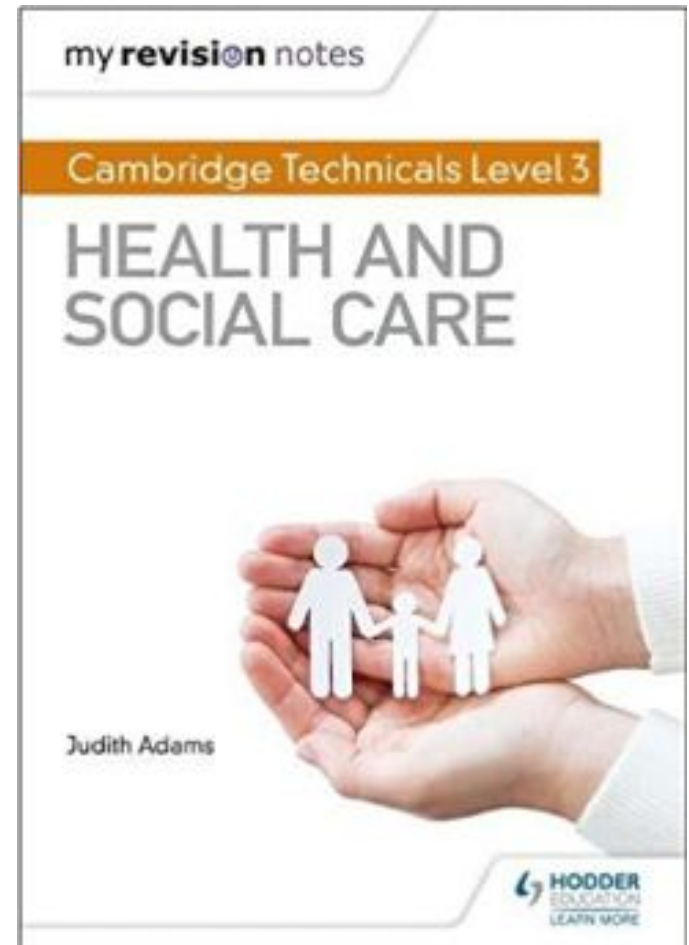

This allows them to reflect on content and things they need to know for a specific unit.

By colour coding or ticking the PLC to rate how confident they feel allows them to set themselves targets for revision and additional reading.

Revision Guides

We recommend the following revision guide that cover the examination units in detail. It can be bought relatively cheaply from Amazon or other stores.

Qualification Overview

OCR Level 3 Cambridge Technical Extended Certificate in Health and Social Care

360 GLH

equivalent
to one A
level in
terms of
size

- Mandatory units - 3 x 60 GLH, 1 x 90 GLH and an appropriate combination of 30 GLH and 60 GLH units.
- Three externally examined units and the rest are centre assessed and moderated by OCR.

It will provide learners with the opportunity, through applied learning, to develop the core specialist knowledge, skills and understanding required in the health and social care sector.

Qualification Overview

OCR Level 3 Cambridge Technical Diploma in Health and Social Care

720 GLH
equivalent
to two A
levels in
terms of
size.

- Mandatory units -6 x 60 GLH, 1 x 90 GLH and an appropriate combination of 30 GLH and 60 GLH units.
- Five externally examined units and the rest are centre assessed and moderated by OCR

It will provide learners with the opportunity to develop a breadth and depth of knowledge, skills and understanding required by the Health and Social Care sector.
