

- Have you already tried your Sparx Maths HW over the weekend but are struggling to reach 100% completion even after watching the videos?
- Could you do with some extra support to help you reach the 100% target?
- Every Monday lunchtime from today onwards, Maths Sparx HW club will be held in E305 where a Maths teacher will be there to help you fill in any gaps in knowledge and boost your scores up to 100% completion ready for the Wednesday deadline each week.
- Chromebooks will be available to complete the Sparx work on each Monday lunchtime.
- We're here to support you to help you reach your full potential in Maths!
