Survey for parents and carers 2024

Dear Parents and Carers,

We hope this message finds you well.

We are writing to remind you about the important survey that we have circulated. To date, the response rate has been lower compared to the previous survey conducted in March 2024. Your feedback is crucial in helping us to improve and better support your children's education.

To accommodate everyone, we have extended the deadline to complete the survey until the 15th of July. Your participation is greatly valued and will directly contribute to the development and enhancement of our school.

Thank you for taking the time to share your thoughts and experiences with us.

Warm regards,

Brian Boyes
Interim Headteacher
