

5-STEPS TO SUCCEED AT MATHS GCSE

1

Equipment

Does your child have everything they need?

Items required include: Black pens, sharpened pencils, eraser, ruler, compasses, protractor and calculator.

2

Revision Lists

A comprehensive revision list is given to the students to help focus their revision. Students can RAG rate the list to help them prioritise their revision.

3

QLA Post-Mock

After the mock students can use Question Level Analysis to help them further target their revision and see where their skills gaps are.

4

Past Paper Homeworks

Alongside Sparx Maths, past papers will be uploaded to Google Classroom for students to print and complete.
