

# 5-STEPS TO SUCCEED AT ENGLISH GCSE

1

## Planning

- Start early and create a solid foundation for your revision.
- Craft a practical (and realistic) timetable, using time-blocking techniques.

2

## Reflect

Understand how each paper is structured, and what the examiner is looking for.

3

## Practice

Sharpen key skills: Practice different types of questions.

4

## Understanding the Writer's Methods

Master Terminology: Familiarise yourself with language and structural features used by writers.

5

## Read

Broaden Your Literary Horizons: Read widely and experiment with different writing styles.
