

Year 11 GCSE Science – Triple science (set 1 only)

Starting your revision early means you can spread it out and avoid last-minute panic. This timeline is to be used alongside your 10 minute test booklet. Ensure that you complete each test on schedule in black or blue ink. You must then use the answers from page 62 to self assess your work ensuring that you make corrections in green. Your teacher will be checking these in an agreed period once a week to ensure you are making progress and support with any questions. Focus your further revision on more challenging topics.

Date w/c	Book	Topic	Page ref	completed
30/9/24	Biology	Cell bio 1	2	
	Chemistry	Atomic structure and the periodic table 1	2	
	Physics	Energy 1	2	
7/10/24	Biology	Cell bio 2	4	
	Chemistry	Atomic structure and the periodic table 2	4	
	Physics	Energy 2	4	
14/10/24	Biology	Organisation 1	6	
	Chemistry	Bonding, structure and properties 1	6	
	Physics	Energy 3	6	
21/10/24	Biology	Organisation 2	8	
	Chemistry	Bonding, structure and properties 2	8	
	Physics	Electricity 1	8	
4/11/24	Biology	Organisation 3	10	
	Chemistry	Quantitative Chemistry 1	10	
	Physics	Electricity 2	10	
11/11/24	Biology	Infection and response 1	12	
	Chemistry	Quantitative Chemistry 2	12	
	Physics	Electricity 3	12	
18/11/24	Biology	Infection and response 2	14	
	Chemistry	Chemical changes 1	14	

	Physics	Particle model of matter 1	14	
25/11/24	Biology	Infection and response 3	16	
	Chemistry	Chemical changes 2	16	
	Physics	Particle model of matter 2	16	
2/12/24	Biology	Bioenergetics 1	18	
	Chemistry	Energy Changes 1	18	
	Physics	Atomic structure 1	18	
9/12/24	Biology	Bioenergetics 2	20	
	Chemistry	Energy Changes 2	20	
	Physics	Atomic structure 2	20	
16/12/24	Biology	Homeostasis and response 1	32	
	Chemistry	Rate and extent of chemical change 1	32	
	Physics	Forces 1	32	
6/1/25	Biology	Homeostasis and response 2	34	
	Chemistry	Rate and extent of chemical change 2	34	
	Physics	Forces 2	34	
13/1/25	Biology	Homeostasis and response 3	36	
	Chemistry	Organic chemistry 1	36	
	Physics	Forces 3	36	
20/1/25	Biology	Inheritance, variation and evolution 1	38	
	Chemistry	Organic chemistry 2	38	
	Physics	Waves 1	38	
27/1/25	Biology	Inheritance, variation and evolution 2	40	
	Chemistry	Chemical analysis 1	40	
	Physics	Waves 2	40	
3/2/25	Biology	Inheritance, variation and evolution 3	42	
	Chemistry	Chemical analysis 2	42	
	Physics	Waves 3	42	

10/2/25	Biology	Inheritance, variation and evolution 4	44	
	Chemistry	Chemistry of the atmosphere 1	44	
	Physics	Magnetism and electromagnetism 1	44	
24/2/25	Biology	Ecology 1	46	
	Chemistry	Chemistry of the atmosphere 2	46	
	Physics	Magnetism and electromagnetism 2	46	
3/3/25	Biology	Ecology 2	48	
	Chemistry	Using resources 1	48	
	Physics	Space physics 1	48	
10/3/25	Biology	Ecology 3	50	
	Chemistry	Using resources 2	50	
	Physics	Space physics 2	50
